25X1 1. [ ] In connection with our interest in the proposed amendments to the Federal Employees Compensation Act, I contacted the offices of 4 out of 7 of the members of the House Select Subcommittee on Labor. I also made contact with three other offices of members of the full House Education and Labor Committee as well as the office of Representative William Bates. A number of these Congressmen had either left for the holiday weekend or were tied up in the conference meeting on the poverty bill. Follow up appointments were made for those who will be in town on Friday and the balance will be contacted Tuesday. (See Memo for the Record for details.) 25X1

25X1 1. [ ] Met with Representative William Bates and discussed with him possible arrangements as speaker for the Agency Mid-Career training course. Although Mr. Bates is most desirous to speak to this group, his schedule for the month of October will not allow it. He hopes we will keep him in mind for the future.

25X1 Met later in the day with Mr. Michaels who advised that after consulting with the Chairman, there was no need for him to meet with Mr. John Clarke, D/BPAM, on Friday since the Chairman still desired to cover the same matters with the Committee. No date was suggested, however, for the next meeting of the Subcommittee. Mr. Clarke's office has been notified.
